

Letter to the D T 3 5 2018

Dear Sir

60 Tory MP's

I am grateful to the *Daily Telegraph* for telling us that 60 Tory MPs have warned the prime minister that they will not tolerate Britain's remaining in the customs union after Brexit (report May 2). Now we know exactly how many, or rather how few, Conservatives there are in the parliamentary party.

Yours faithfully

Rev'd Dr Peter Mullen
