

Thank you for being here for this vital subject. At least the weather is/is not raining cats & dogs, or as one should now say, Handcuffs & D Notices!

I am Roger W-M and editor promoter of the informative non-political Brexit and Freedom web site **concordanceOUT.eu**. **THE OUT IS VITAL!**

if only the ignorant politicians especially the PM read from it and inwardly digested the details as we were taught, then BREXIT would be achieved and FREEDOMS released from Peril.

GOOD HEALTH is the first major concern

FREEDOM IS THE NEXT ESSENTIAL concern. Freedom to **think**, to **move**, to **respect** the UK & its customs and traditions, Freedom to be **tolerant to the tolerant and respectful**,

We seek Tolerance and Respectfulness not only from all immigrants but also from the House of Lords and the Remoaners. Our Democracy and Christian ways receive neither.

Dr Karl Popper said that **“The Paradox of Tolerance says that unlimited tolerance will lead to the death of tolerance”**. Accordingly ...**Defending tolerance includes being intolerant of intolerance...and disrespectfulness I should add**. So this Philosopher Karl Popper wrote in 1945.

So The PC are in grave error. The Met Police and the Remoaners are in error too. [Are the THOUGHT POLICE HERE TODAY?

but the UK media is not free...the media are a collection of interest groups that ruthlessly promote their own agendas and bend the facts when it suits them

We know this as that **was** and still **is** BREXIT REMAINER BEHAVIOUR!

Mrs May is trading away our military Defence for commercial matters: see **Kit Kat** papers on concordance. See **Brexit Reset** from CIB on concordance. Now wait and read the new Brocklebank Papers soon to go up.

If the UK cannot defend itself and is a subordinated country to EU in Defence matters as May plans, then we are all vulnerable and NATO has lost a vital arm to its EU competition!

This will not do. It suits Mrs May to offer our military support for the project as a trade off for some sort of " deep and special" trade deal. She is keen on cranking up fears of (IMHO) fictitious Russian threat. Of Russia I think it might be said " Cet animal est mechant . Quand on l'attaque, il se defend" . Apologies for absence of acute accents.

ABOVE ALL FREEDOM TO SPEAK The PC world of untruth speak is not FREE It is a **betrayal of these FREEDOMS.**

This has been observed in the arrests of many including Paul Weston for reciting Churchill's words in Winchester

And in the arrest of the HYDE Park gentle inquiring well-spoken lady last week, asking a policeman about Islamist kneeling obstructions contrary to Hyde Park regulations...she was unsettled..., then next morning there followed illegal actions of the violent London Met police and they arrested her at her home.

This has been observed in the arrests and imprisonment of brave others who should be free to exercise UK established rights to free speech namelyTommy Robinson Jayda Franzen Paul Golding and a veteran Jez Bedford Turner...possibly even the poet and singer Alison Chabriz being sentenced on the 14 of June next week.

These are more than the thin end of a tsunami of PC and or Common Purpose [CP] attacks on all that the UK cherishes as its Cultural and Christian traditions

Why are we now corrupted by the untruthful bully platform of PC and CP?

CP has an international agenda. The Brexit voters do not.

PC destroys all that is true and good. It has given birth to an ugly sibling, "Hate Speech"...a crime it seems without a guilty mind or an HATE concept by either party, only the subjective self-inflicted allegedly Gross Offensiveness by a third nosey offensive bystander. This is absolutely tyrannous and ORWELLIAN and beyond reason!

I give an example from tomorrow's paper:- [ssh are the thought police here yet?]

The Arch B of C in his Cathedral reading the Athanasian Creed, used since the 6th century, confirming the Holy Trinity and thereby in PC world of Hate Crime causing offense to those who are Muslim and seek another but single God. When the reading was concluded the Police arrested the cleric for the Hate crime of causing Gross Offense to a Muslim whilst wandering around admiring the architecture....no doubt one of those many who march in Pall Mall under a banner seeking beheading for all those who insult Mohammed...but they were escorted by the London Police of course. The same police who shield Muslim drivers who have been seen on U-Tube leaning out of vehicle windows threatening to murder Christians.

Such is modern Britain. To "Hate" is to hurt ones-self. I avoid it. It achieves nothing yet this so called hate-crime coupled with PC is actively destroying UK FREEDOMS including the treasured FREEDOM OF SPEECH.

Such is the loss of our national and cherished FREEDOMS.

Such is the Alice in Wonderland UK where we now find ourselves.

Truth is vital in thought, word and deed.

Education demands the untarnished TRUTH. Alas, TRUTH is not in our schools

‘curriculum now. Generations have been betrayed, as the educationalist Christopher McGovern regularly proclaims but Westminster does not listen.....for all these reasons and more, but not least that Westminster is deaf if the facts and opinion come from the WRONG source rather than the muddle bubble babble of the PC source!

IT IS the SAME ignorance and disaster WITH BREXIT.

It is only with Freedom that TRUTH prevails over deceit. Deceit begets disaster.

OUR MEDIA: I am indebted to the DT on Tuesday for suggesting an idea for a cartoon of Heathrow departure lounge.

It epitomises the cess pit of disasters that the UK now finds itself in with the Communist Labour Remainers and the Left wing Big State Federal majority Tory-May party.

Here is what I see now on that departure board

-Westminster Bias and Obstruction..... BOARDING
Integrity CANCELLED:
Brexit..... STILL DELAYED
Incompetence and Muddle..... BOARDING
Ignorance and impracticalityBOARDING
Uncertainty & Secrecy..... BOARDING
Patriotism, Loyalty and Democracy..... DELAYED
Truth CANCELLED

WHAT TO DO NOW?

We have to regain our Freedoms and achieve a true Brexit

The answer is to promote a political party into Westminster. These Westmonsters only do the necessary when they are threatened by loss of monies, of power, of privileges and perks!

HOW?

We must all join together and unite...hopefully many of those who support the current Westminster parties.

We all need now to decide on the survival of Free Speech and Democrat future and so join the only Brexit Freedom party.

There is only **one party** with an army of street volunteers who are rearing to get roaring

again on the streets of England

There is only **one party** with candidates for Parliament.

That party is **NEW UKIP GB**.

It believes in Freedom and it believes in Sovereignty and BREXIT and in honouring the Referendum.

New because the Farage era of Referendum success is behind us

UKIP because it is ready for the next General Election and now seeks to hold the balance of power in Westminster for there is no one else.

GB because of Great Britain as well as Gerard Batten

ONLY POLITICAL PARTIES WILL CHANGE THESE CURRENT DISASTERS.

By all means **march, demonstrate, write and blog** but in the end it is the New UKIP street army and NEW UKIP Parliamentary candidates who will achieve our hearts desires.

Please act now and join up.

IT is vital for you, your children and your grandchildren. I will be dead and gone but please all take the **lamp of Freedom and the torch of BREXIT** and join this only available political party. **New UKIP GB**

Thank you one and all.

Athanasian Creed

[Athanasius of Alexandria](#) was traditionally thought to be the author of the Athanasian Creed, and gives his name to its common title.

The **Athanasian Creed**, also known as **Pseudo-Athanasian Creed** or *Quicumque Vult* (also *Quicumque Vult*), is a [Christian statement of belief](#) focused on [Trinitarian](#) doctrine and [Christology](#). The [Latin](#) name of the creed, *Quicumque vult*, is taken from the [opening words](#), "Whosoever wishes". The creed has been used by Christian churches since the sixth century. It is the first creed in which the equality of the three persons of the Trinity is explicitly stated. It differs from the [Nicene-Constantinopolitan](#) and [Apostles' Creeds](#) in the inclusion of [anathemas](#), or condemnations of those who disagree with the creed (like the [original Nicene Creed](#)).

Widely accepted among [Western Christians](#), including the [Roman Catholic Church](#) and some [Anglican churches](#), [Lutheran churches](#) (it is considered part of [Lutheran](#) confessions in the [Book of Concord](#)), and ancient, [liturgical](#) churches generally, the Athanasian Creed has been used in public worship less and less frequently, but part of it can be found as an "Authorized Affirmation of Faith" in the recent (2000) Common Worship liturgy of the Church of England [Main Volume page 145].^{[1][2]}

It was designed to distinguish [Nicene Christianity](#) from the heresy of [Arianism](#). Liturgically, this Creed was recited at the Sunday Office of [Prime](#) in the Western Church; it is not in common use in the Eastern Church. The creed has never gained acceptance in liturgy among [Eastern Christians](#) since it was considered as one of many unorthodox fabrications that contained the [Filioque](#) clause. Today, the Athanasian Creed is rarely used even in the Western Church. When used, one common practice is to use it once a year on [Trinity Sunday](#)..
