

Kent Police backtracked on their politically motivated decision and NOW HAVE referred the case to the CPS.

Late 13 June 2018 *good* news!

IMMEDIATE RELEASE

Date: 13-06-2018

Press Release - Britain First HQ

POLICE REFUSE TO PROSECUTE MUSLIM PRISON ATTACKERS OF PAUL GOLDING, THEN BACKTRACK AFTER PUBLIC PRESSURE!

“At 11am this morning, Kent Police informed Britain First HQ that they had decided against prosecuting the Muslim thugs who attacked Paul Golding recently in HMP Elmley.

Then, after Britain First HQ launched a public petition and the news was posted to the Britain First website, Kent Police backtracked on their politically motivated decision and referred the case to the CPS.

Kent Police confirmed that they have upgraded the case to a 'racially motivated attack' and that the CPS will now make a decision within a week.

It seems Kent Police have reversed their decision to abandon the case after a wave of public indignation and media enquiries.

Kent Police have confirmed they have CCTV footage of the Muslim gang entering Paul Golding's cell and one of the attackers in question, an Iraqi asylum seeker called Nasir Muhsen, has admitted to punching Mr Golding in a statement.

Britain First HQ is going to push for a prosecution by any means necessary.”

This shows what *'people power'* can achieve when fighting political correctness and Muslim appeasement.

Now we need the tens of thousands of our core supporters who didn't sign the petition yesterday to spare 10 seconds to sign!

HQ is looking forward to handing this petition into Kent Police and the CPS to **ensure** a prosecution!

Please spare a few seconds to sign our petition then share it on social media:
