

Tobias Ellwood M.P.

Dear Mr. Ellwood,

I forward this piece from UKIP, which appears to be the only political organisation awake to the subterfuge of UK subjection to EU armed services.

Question: **Do you approve of our forces acting under orders of an unelected, illegitimate government of Eurocrats?**

If not, what are you as an MP going to do about it?

Many thanks in anticipation of your reply,

Tony Woodcock
